BROWNSBURG TOWN COUNCIL MEETING MINUTES

REGULAR MEETING

Thursday, February 12, 2026, 7:00 p.m.

Brownsburg Town Council Meetings are live-streamed and archived

01. CALL TO ORDER BY PRESIDING OFFICER – Town Council President, Ben Lacey, called the meeting of the Brownsburg Town Council to order at 7:00 p.m. on February 12, 2026 in the Brownsburg Town Hall, 61 N. Green Street.

02. INVOCATION/PLEDGE OF ALLEGIANCE – Yolita Eberly, Reverend for the Brownsburg Police Department, gave the invocation followed by the Pledge of Allegiance.

03. ROLL CALL – Members of the Council present were Ben Lacey, Matt Simpson, Travis Tschaenn, Glenn Adams and Cindy Hohman. Also present, were Clerk Treasurer, Ann Hathaway; Debbie Cook, Town Manager and Scott Krapf, Town Attorney.

Council President, Ben Lacey, gave an acknowledgement mourning the loss of Hailey Buzbee of the City of Fishers and joining the Go Pink for Hailey movement.

04. CITIZENS COMMENTS RELATING TO FEBRUARY 12, 2026 AGENDA – None.

05. CONSENT ITEMS

05.01. The January 22, 2026 Regular Meeting Minutes were considered. Matt Simpson made a motion to approve the minutes, as presented. Travis Tschaenn seconded the motion. Passed 5-0.

05.02. The Civil Town and Fire Territory Claims Docket for January 22, 2026 through February 12, 2026 and the January Payroll Docket, in the amount of \$4,440,535.47, were considered. Travis Tschaenn made a motion to approve the docket, as presented. Cindy Hohman seconded the motion. Passed 5-0.

06. BID OPENING AND/OR AWARD – None.

07. REPORTS FROM COMMISSIONS AND BOARDS –

07.01. Board of Zoning Appeals Report –

07.02. Advisory Plan Commission Report –

Lauren Bouslog, Planner, presented both reports to the Council. A BZA heard a case for special exception group for the use golf carts. The APC meeting was cancelled.

08. TOWN ADMINISTRATIVE ITEMS – None.

09. PARK AUTHORITY ITEMS –

09.01. Park Authority Report – Amber Lane, Director of Parks and Recreation, presented her report to the Council. She emphasized that ninety-three hours were spent clearing snow from parks and trails during this latest snow storm. She also highlighted the outdoor classroom work and indoor rental facilities. Cindy Hohman mentioned the successful Father Daughter Dance.

10. PREVIOUSLY CONSIDERED ITEM – None.

11. NEW FOR CONSIDERATION –

11.01. Introductory Item – Lee Property Proposed Rezone with Annexation. Lauren Bouslog, Planner, presented this introductory item to the Council. This is an introductory item only, with no Council action required at this time. The Lee Property is a 25-acre parcel located north of the Meijer site and is bordered by CR 900 E to the west and the new Ronald Reagan Parkway extension to the east. This site is located outside of Town limits, but would meet the requirements for annexation. The developer, CRG, last brought forward a proposal for this site in August 2024. Since then, CRG has revised their plans for this site based on Council and Staff feedback. John Lassaux of CRG Residential, 805 City Center Drive, Carmel, IN 46032, gave a presentation on the project and answered questions from the Council.

12. TOWN MANAGER ITEMS – None.

13. CLERK-TREASURER ITEMS – None.

14. CITIZENS COMMENTS –

Anthony Gary – 5794 Courtyard Crescent
Nancy Stinson – 938 Glenmore Trail

15. TOWN COUNCIL ITEMS – None.

16. TOWN ATTORNEY ITEMS – None.

17. ADJOURNMENT – Cindy Hohman motioned to adjourn at 7:34 p.m.

These minutes are a summary of actions taken at the Brownsburg Town Council meetings. The full video archive of the meeting is available for viewing <https://brownsburgin.new.swagit.com/videos/375118> for as long as this media is supported.

Major Jennifer Barrett

JANUARY 2026 MONTHLY SUPPORT SERVICES REPORT

CHIEF OF POLICE
&
BROWNSBURG POLICE COMMISSION

Brownsburg Police Department

SUPPORT DIVISION REPORT

The following information contained within this report summarizes information deemed pertinent for dissemination from Major Jennifer Barrett.

- Investigations
- Administrative Services
- Community Relations
- Public Information
- Purchasing/Budget
- Information & Technology
- Human Resources
- Training
- Vehicle Fleet

Investigations

The Investigations Unit received (23) new cases, screened (52) outside agency reports - (9) of which were screened in for Case Reports. They also closed and/or suspended (27) cases, and closed (9) cases with (5) arrests. The crime trend for this month was *Property Crimes*. The Unit served (9) search warrants and/or subpoenas, conducted (21) interviews, completed (5) background investigations, entered (96) case notes and attended (2) Child Forensic Interviews this month.

Major Barrett attended several meetings this month with various Executive Staff members in preparation for her newly appointed role as Major. Barrett completed a confidential investigation, reviewed multiple policies for editing, and with the assistance of Administrative Assistant Shupert, created monthly reporting workflow forms for Training and Administrative Services.

Ultimately, this form is designed to streamline daily operations and improve overall efficiency with the additional benefits of assisting the user in the areas of time management and accuracy when reporting tasks and duties completed for end of month. This form serves as a standardized template to ensure consistency across individual reporters and eases in tracking progress and responsibilities, which affords the user clarified guidance in the event that an alternate should be required to assume those duties and/or report, all while maintaining continuity without interruption.

Detective Sgt. Bass made (3) arrests this month and closed (8) cases. Bass is actively investigating two fraud cases. One case involves the arranged purchase of an item on Facebook Marketplace where the suspect had the victim open a Venmo business account and send \$300 after which the suspect was supposed to send back \$600 as reimbursement and payment for the item. Once the money was transferred to the suspect through the business account, they cut off communication with the seller. The other case involves a victim's estranged husband opening multiple credit card accounts in her name. Due to an active warrant out of another state, the suspect is avoiding law enforcement. Bass was able to identify juvenile suspects in multiple vandalism cases using video surveillance and filed charges against three juveniles closing (7) cases. Bass was called out (1) time and was consulted (1) time this month by road personnel. He completed state mandate training and

firearms qualification as well.

Detective Sgt. Stanford made no arrests this month but closed (4) cases. Stanford is actively investigating a theft of a wallet from Planet Fitness and subsequent unauthorized card usage at local businesses. Surveillance video has been requested and the investigation is ongoing. He is also investigating a Forgery perpetrated by a victim's neighbor where several fraudulent checks were written on her account, some of which were payable to her neighbor. The suspect had been performing work at her residence and had asked for a personal loan, which was denied. Stanford is awaiting the results of two search warrants submitted to banking institutions. He recently posted information on the department's Facebook Crime Tips page regarding a theft at Ulta Beauty. To date, no credible tips have been received. Another theft investigation by Stanford is stolen Apple cards and lottery tickets from a local gas station. Flock footage is being reviewed for a potential suspect vehicle. Stanford was not called out and was not consulted this month by road personnel.

Detective Sgt. Wells made no arrests this month but closed (1) case. Wells responded off duty to a possible rape while he was on-call. He conducted some of the initial investigation, including executing a search warrant for the residence, but the case was ultimately assigned to Detective Christian-Moss. Wells investigated a complaint against another agency alleging battery to a child. After numerous investigative steps generating no tangible evidence and the lack of cooperation by the mother, Detective Wells turned all information over to the prosecutor's office to determine charges, which were not pursued. The case was subsequently closed. Wells also investigated and closed a rape case at a local senior health care facility which could not be substantiated and the victim did not want to pursue the investigation or involve the police. The allegation essentially contained no criminal element and the case was closed. However, information was provided to the State Health Department on the incident as per its request. Wells traveled to Wisconsin in January regarding a major Child Molest/Pornography case from 2021 to attend a suppression hearing. Results of that hearing are being appealed and the jury trial is now slated for March. He was called out (1) time and was consulted (14) times this month by road personnel.

Detective Sgt. O'Brien made no arrests this month but closed (3) cases. O'Brien is investigating Threats/Harassment by an ex-boyfriend who also violated a Protection Order against the victim. Messages sent by the suspect are being reviewed at this time and the investigation is ongoing. He followed up on a 17-year-old reported missing who was entered into in IDACS/NCIC, but has since been reported and confirmed as returned home. O'Brien followed up on a possible Sexual Assault after being contacted by a Sexual Assault Nurse Examiner at Community East Hospital regarding an examination she performed. At this time, the victim is not wishing to identify herself or pursue the investigation, but the sexual assault kit will be retrieved and entered into evidence for possible future use as per procedure. O'Brien was called out (0) times and was consulted (1) time this month by road personnel. He instructed on Report Writing and Documentation at roll call for road personnel on January 9th.

Detective Sgt. Cronin made no arrests this month but closed (7) cases. Cronin is actively investigating a theft from a local liquor store. A male counterpart who was with a female suspect has been identified, as well as the owner of a vehicle involved. Efforts to identify the female, who actually stole the liquor, continue. Cronin is also working on a theft of a backpack with credit cards inside. The cards were utilized at a local BP gas station and loss prevention has been contacted to assist with the investigation. He closed three fraud cases that either had no solvability or the victim simply needed a report to recoup their losses. Cronin was not called out but was consulted (1) time this month by road personnel. He complete state mandate training as well as firearms qualification.

Detective Cpl. Jeremiah Jones made no arrests this month but closed (1) case. It should be noted that Jones was off on medical leave and was not on-call for the majority of January. He continues to actively investigate a complex Child in Need of Services situation from December that involves possible sexual contact between young biological siblings. An interview of one of the parties involved is scheduled for February 5th. Jones was not called out and was not consulted this month by road personnel.

Detective Jalen Christian-Moss made (2) arrests this month and closed (6) cases. Christian-Moss investigated a Sexual Assault and provided the Prosecutor's Office with his probable cause and investigation information for their review and decision on charges. He is investigating another Sexual Assault where the victim is currently in custody at a juvenile facility, therefore an interview is pending. Christian-Moss closed out an Abuse case and another Sexual Assault case where, in both cases, the victim did not disclose any perpetrated criminal acts. He continues to investigate a Child Molest case with the suspect being interviewed via Zoom on January 28th since they are located in Oregon. Christian-Moss was not called out but was consulted (7) times this month by road personnel. He assisted IMPD with a homicide case by interviewing a person incarcerated in the Hendricks County Jail and completed Child Homicide Investigation training.

Crime Scene Investigator and Ancillary Property Room Manager Todd Knowles reported the following work product: Called out (1) time. Collected/processed (84) items of evidence from (1) crime scene this month. Checked in (0) items of evidence, signed out (67) items of evidence to officers, returned (0) items of property to owners and transferred (0) items to other agencies. Knowles assisted in completing the Prosecutor Discovery Requests that resulted in the following work product: uploaded (0) videos of Body Camera footage, (0) videos of Dash/In-Car Camera Footage, and (84) Photos. He made (8) trips to the ISP Lab and completed (8) lab submissions. He made (3) trips to the hospital, (1) trip to the jail and (0) trips to the Prosecutor's Office. Knowles obtained/lifted (0) sets of fingerprints, completed (1) firearm trace, collected (2) evidence swabs and he served (1) search warrant. Knowles complete firearms qualification as well.

Property Room Manager Kristi Braziel reported the following work product: Called Out (0) times. Checked in (112) items of evidence, signed out (33) items of evidence to officers, returned (9) items of property to owners and transferred (0) items to another agency. The department received (14) Prosecutor Discovery requests that resulted in the upload of (2) videos of Body Camera footage, (6) videos of Dash/In-Car Camera Footage, and (0) Photos. She completed (4) CAC (Vidanyx) downloads/packages, (123) IDACS/NCIC/BMV transactions and emptied the lobby Rx drop box for a total of 16 lbs. Braziel also went to the Hendricks County Sheriff's Office in January to receive instruction on the proper destruction of electronics.

Investigations Assistant and Victim Advocate Kim Shupert was called out (0) times on duty, and (1) time off duty this month. She made contact with (4) new victims in January. Shupert made (6) victim contacts via telephone, (1) victim contact via text/email, and (1) victim contact in person. She was called out on the evening of January 5th by Detective Wells to respond to St. Vincent's hospital to meet with a possible rape victim in order to provide guidance and support during the sexual assault examination process, as well as review victim's rights and sexual assault information. Shupert assisted the Investigations Unit in (74) IDACS/NCIC/BMV transactions, uploaded (17) 310's, transferred (1) case to other agencies, sent (1) search warrant and completed (1) case information request for the Hendricks County Coroner's Office. She also worked on expanding the Monthly Report form to include the additional support departments and their respective monthly data now reporting to Major Barrett

Forensics Analyst Anthony Merckel examined (3) cell phones, (0) tablets and (0) storage devices in January involving child sex crimes and a previous homicide case. He was called out (0) times. Merckel successfully completed a 40-hour online Cellebrite CASA training, expert level, that required him to pass a certification examination. Merckel assisted with Spanish translation on two occasions for vehicle releases to members of the public. He is currently working with the IT department in an attempt to resupply the forensics lab with hard drives for case data storage. At present, there is a worldwide shortage on computer parts. Merckel renewed two forensic tool licenses, updated all forensic programs and computers, as well as maintained the Blocker Locker weekly.

Intelligence Analyst Michael Langeman was called out (0) times, consulted (8) times, reviewed (36) crime tips or bulletins, disseminated (4) intelligence or safety communications, conducted surveillance (0) times and conducted (5) inter-agency collaborations. Langeman performed various tasks assisting in the development of suspects and other case information for Detectives throughout the month.

Administrative Services

In the month of January, the Administrative Services Unit staff processed (39) public access requests, (17) criminal history requests, (2) gun permits, (10) sets of fingerprints, (2) rider requests, (19) vehicle releases, (68) alarm permit transactions and (1) car seat inspection.

Fees generated from services totaled \$2,805.00. Below is a breakdown of the collected fees:

Accident Reports	\$55.00
Incident Reports	\$45.00
Vehicle Releases	\$360.00
Criminal Histories	\$125.00
Alarm Transactions	\$1985.00
VIN Checks	\$0.00
Notary Fees	\$5.00
Fingerprints	\$65.00
Pictures/Videos	\$165.00
Off Duty Management	\$0.00
TOTAL	\$2805.00

Throughout January, Administrative Services staff Debbie Umbanhowar and Heidi Shepherd conducted routine year-end tasks, such as filing and structuring new files for 2026. Heidi also worked on compiling information and assisted in the completion of the 2025 Annual Report.

Public Information

The agency received several media contacts/inquires throughout the month of January. The majority of the media inquiries (television) revolved around calls for service taken by Enforcement while on-scene. In addition, BPD received (4) inquiries from print media that were used for relevant stories within the Town.

The department also released (26) Facebook posts, (1) Facebook Crime Tips post, (13) X/Twitter posts, and (8) Instagram posts

Current subscriber lists report the following number of members:

Platform		Subscribers
	Facebook	16,359
	Facebook Crime Tips	8,125
	X (Twitter)	3,325
	Instagram	1,848

Budget

As of January 31, 2026, the department expended 11.68% of its budget. As is typical of January, we are slightly over budget. Encumbered funds from 2025 totaled \$23,305.86 and are reflected in the total budget amount.

Information Technology

Lt. John Depinet Information Technology completed operating system upgrades to Windows 11 on all remaining mobile data terminals to maintain compatibility and performance. He also continued working with the Prosecutor's Office and their third-party vendor to configure a new electronic search warrant system, which will streamline warrant processing. It is scheduled to launch mid to late February. Additionally, Depinet assisted with updates to chain-of-command workflows and system processes to reflect recent personnel transitions, ensuring routing logic and approval paths remained accurate and efficient throughout the department.

Lt. Depinet assisted Road Officers to ensure that Town Court proceedings were adequately staffed as it relates to security throughout January.

Human Resources

Brownsburg Police staff currently are operating with (1) sworn officer vacancy after a Sworn Officer resigned his position in late September. BPD currently has (2) officers on light duty. One for a non-work related surgery and one officer on light duty for a work related injury. The sworn number of officers is now at (61) with an anticipated retirement in February. BPD initiated a recruitment process and conducted physical agility and written testing for Non-Experienced candidates. The testing yielded non-experienced candidates testing at West Middle school on Saturday 11/22. Of those, (4) candidates failed some aspect of the physical testing and were subsequently removed from the process. The remaining (26) candidates continued into the written testing portion. BPD conducted formal interviews of Non-Experienced, Certified and Lateral candidates on 12/18 and 12/19. Based on those interviews we have pushed several candidates to investigations for backgrounds and placed the remaining candidates on an eligibility list. At the February meeting we anticipate extending Conditional Offers of Employment to (2) candidates. We are also evaluating the status of the eligibility list to determine when a new testing process will be developed and presented to the commission for review/approval.

Training

Training Requested approved by the Training Board in January

- Jacob Smith – Bosch CDR Tool Tech Training online
- Sarena Clay – Blue to Gold 3 days
- Jonathan Staton – Force Encounters 2 days
- Taylor Adamson – Force Encounters 2 days
- Karanveer Singh – Law Enforcement Response to Suicidal Subject (LERSS) online
- Kevin Huntsman – LERSS online
- Elsiana Crosby – LERSS online
- Joseph Medjeski – LERSS online
- Daniel Rooker – LERSS online
- Taylor Adamson – LERSS online
- David Koelling – LERSS online
- Dustin Johnson – LERSS online
- Joseph Steward – ISOA Conference 3 days
- Kevin Cronin – IA Conducting Proper and Effective Investigations
- Taylor Adamson – Payment for BJJ
- Eustice Mlagan – Payment for BJJ
- Taylor Adamson – Patrol Investigator and Strategic Focus Group 5 days - Free
- David Koelling – Patrol Investigator and Strategic Focus Group 5 days - Free

Hosted Training Courses for January

- 2 Days ERT training
- County-Wide K9 Training
- Dynamic Police Training – Street Level Policing was schedule to occur on January 26th, but has been postponed.

Training Facility Utilization by Outside Agencies for January

Outside Agency Usage					
Agency	Date(s)	Range	Shoot House	Mats	Classroom
ICE	1/5, 1/9, 1/19 & 1/21	X			
VA Police	1/6	X			
ATF	1/7 & 1/8	X			
FBI	1/22-23, 1/29 & 1/30	X			

Training Invoices Sent out for January

- ICE – Invoiced for 4 days of Range
- VA Police – Invoiced for 1 day of Range
- ATF – Invoiced for 2 days of Range.
- FBI - Comped

Training Coordinator Business

- Most of the officers attended the mandatory handgun qualifications and successfully qualified with their primary handgun. Some of the officers also qualified with their off-duty and personal weapons. During this time, rifles, primary handguns, and back-up handguns were armored.
- Sergeant Abshire sent out the SCOTUS syllabus for Case v. Montana and advised the shift supervisors to conduct roll-call training on the unanimous decision.
- State Mandated training through Moyars was sent out to all officers. Some have already completed the training.
- Sergeant Abshire met with EVO Instructors and devised some new, innovative training plans for 2026.
- Sergeant Abshire held the first Training Committee meeting of the year.
- Sergeant Abshire met with the Firearms Instructors as well to discuss training ideas for 2026.

Vehicle Fleet

The Town Garage staff continue to prep, outfit and rollout the remaining 2025 patrol vehicles. The vehicles being replaced (which are 2018 and 2019) are being rolled into the pool fleet. Both installments of 2025 vehicles have arrived and include (2) K9 replacement vehicles and several patrol vehicles. The (2) K9 vehicles purchased are Ford Expeditions to consolidate the fleet under the Ford product line. The new Expeditions are very similar in size to the previously used Tahoes, but will be using the Ford Eco-boost 6 cylinder engine with turbo platform. This should help with overall gas mileage and fuel economy on the larger SUVs. The delay currently is lead-time for the required K9 equipment/kennels for new Expeditions. The Garage has been working toward identifying the vehicles to be purchased out of this year's CCD order. The agency is evaluating moving to some larger framed vehicles (F150) that can accommodate a pursuit mitigation system. Several platforms are being evaluated for purchase and implementation in the 2026 year. In the meantime, garage staff continue to perform routine and preventative maintenance to ensure the safety and life of the vehicle fleet is being maintained. The fuel number for January was 6,754 gallons used by Police units. This amount is increased from last month total gallons and increased from the January 2025 usage amounts.

However, the agency is also now staffed with (61) sworn officers as opposed to last year's number of (58) and the extreme cold that units have been dealing with has resulted in significant engine idling while on duty. For all intents and purposes, usage continue to remain very consistent with previous months/years considering the number of sworn, reserve and civilian staff utilizing department vehicles (see below chart). Our officers and staff continue to be mindful and conservative of the fuel utilized both on and off duty.

*Respectfully Submitted,
Major Jennifer Barrett*

JANUARY 2026 MONTHLY OPERATIONS REPORT

CHIEF OF POLICE
&
BROWNSBURG POLICE COMMISSION

Brownsburg Police Department

OPERATIONS DIVISION REPORT

The following information contained within this report summarizes information deemed pertinent for disseminations from Major Bryan Fultz.

- Hours
- Highlights
- K9
- FTO
- Use of Force
- Vehicle Pursuit
- Traffic
- Narcotics
- Emergency Response Team
- Community Engagement
- Roll Call Training

Hours

During the month of January, officers of the Operations Division worked a total of 5,571.5 hours. 46 total work hours were completed by the Reserve Unit.

**Total hours reflect actual road hours (training and meeting hours are excluded).

Highlights

On January 1st, Officer Austin Hyde initiated a traffic stop for an infraction. The stop turned into an impaired driving investigation due to signs of impairment displayed by the driver. The driver failed all sobriety testing and a certified breath test. The driver was subsequently charged and transported to jail.

On January 1st, Officer Elsiana Crosby responded to a single vehicle crash. Officer Crosby initiated an impaired driving investigation due to the driver displaying signs of impairment. The driver failed all testing and consented to a certified test in the form of a blood draw. The driver was subsequently charged and transported to jail.

On January 1st, AMB shift officers responded to Williams Park regarding found property. On arrival, officers were directed to spent shell casings in the northeast parking lot. Officers were unable to observe any damage in the park and the casings were collected as evidence. There was no further information or suspect information provided at the time of the report.

On January 1st, Officer Morgan Ettenberger initiated a traffic stop for an infraction. Upon contact the driver was identified and was operating on a learners permit. Officer Ettenberger detected the odor of marijuana emanating from the vehicle. Investigation revealed that the driver possessed suspected marijuana. The driver was subsequently charged and released from the stop.

On January 3rd, Officer Cody Molina responded to a welfare check at an address on East Northfield Drive. Officer Molina encountered a person who showed signs of narcotics impairment. Officer Megan Clonce deployed her police K9 around the vehicle. The K9 showed a positive response to narcotics in the vehicle. A search revealed suspected methamphetamine and paraphernalia. The person was subsequently charged and transported to jail.

On January 3rd, Officer Mark Christian initiated a traffic stop for aggressive driving. During the investigation of the stop, Officer Christian learned the driver had an active warrant for operating without a license. The driver was transported to jail.

On January 4th, Officer Donna Davenport responded to a vehicle crash where the driver was attempting to leave the scene and was in possession of alcohol. Witnesses provided a clothing description of the driver. Officer Davenport tracked the vehicle at a residence and located the driver matching the clothing description. The driver showed signs of impairment and was administered sobriety testing. The driver failed all testing and refused a certified test. A blood draw warrant was requested and obtained and the driver was transported to a medical facility where the draw was administered. Upon completion, the driver was charged and transported to jail.

On January 5th, Officer Heather Foote initiated a traffic stop for an infraction. Investigation of the stop revealed the driver possessing suspected marijuana. A passenger in the vehicle provided deceptive identification and was later identified as having an active warrant. The driver and occupant were charged and transported to jail. On January 6th, Officer Elsiana Crosby initiated a traffic stop for an infraction. During the stop, Officer Crosby detected the odor of marijuana emanating from the interior of the vehicle. A total of 17 grams of marijuana was located in the vehicle. The driver has been charged.

On January 7th, Officer Lucio Argueta initiated a traffic stop on a suspected impaired driver. On contact, Officer Argueta observed signs of impairment and initiated an impaired driver investigation. The driver failed all sobriety testing and a certified breath test. The driver was charged and transported to jail.

On January 16th, Officer Jon Staton responded to a crash where one vehicle left the scene. The vehicle was quickly located by another officer and it was determined that the driver showed signs of impairment. The driver failed sobriety testing and consented to a certified test in the form of a blood draw. The driver was transported to a medical facility where the draw was administered. Upon completion, the driver was charged and transported to jail. No injuries were reported in the crash.

On January 17th, Officer Donna Davenport responded to a multi-vehicle crash. One driver showed signs of impairment and admitted to consuming alcohol. The driver failed sobriety testing and consented to a certified test in the form of a blood draw. The driver was transported to a medical facility where the draw was administered. Upon completion, the driver was charged and transported to jail. No injuries were reported in the crash.

On January 17th, Officer Mark Christian responded to a burglary in progress on Enderly Avenue. It was reported that an unknown person have forced their way into an apartment and would not leave. When officers arrived, the person had already left the apartment. The resident stated that the person had forced their way into the apartment and was walking towards a room where two children were sleeping but then left. Later in the day, Officer Christian received a call from the resident who stated the person that forced their way into the apartment apologized for what happened. Officer Christian obtained suspect information (who lives in a nearby apartment) and filed charges. The suspect was subsequently arrested on January 23rd.

On Friday January 23rd, Officer Elsiana Crosby initiated a traffic stop for an infraction. During the stop, Officer Crosby detected the odor of marijuana emanating from the interior of the vehicle and the driver admitted to possession of marijuana. There was evidence consistent with dealing narcotics in the vehicle. A total of 70 grams was recovered during the stop. The driver was charged and transported to jail.

On January 29th, Officer Eustace Mlagan responded to a suspicious vehicle on Furry Court. On arrival, Officer Mlagan made contact with three occupants of the vehicle who had been smoking marijuana. A search of the vehicle revealed three firearms and suspected marijuana. The driver of the vehicle was charged for marijuana possession and possession of a firearm by a felon.

On January 31st, Officer Sarena Clay initiated a traffic stop on a suspected impaired driver. Upon contact, Officer Clay observed signs of impairment and detected the odor of alcohol emanating from the interior of the vehicle. The driver refused to participate in sobriety testing but consented to a certified test. Results of the test exceeded the legal limit. The driver was charged and transported to jail.

On January 31st, Officer Donna Davenport responded to a report of a vehicle that had slid off the roadway. Upon arrival, Officer Davenport observed signs of impairment and detected the odor of alcohol about the driver. The driver failed sobriety and a search warrant was requested for a blood draw. The driver was transported to a medical facility where the draw was administered. Upon completion, the driver was charged and transported to jail. It should be noted that the driver was operating on a suspended license.

K9

K9 Activity

Detection Deployments	Patrol Deployments	Total Deployments	Arrests
25	3	28	14

Detection Deployments reflect searches for narcotics either in a vehicle or in a building. **Patrol Deployments** reflect searches for a person.

K9 Seizures

Type	Incidents	Total
Marijuana	11 seizures	31 grams
Methamphetamine	1 seizures	2 grams
Cocaine	1 seizures	1 gram
Heroin	0 Seizures	
Other		
Suboxone	1 Seizure	2 items
Paraphernalia	7 Seizure	9 items

Brownsburg Police K9s participated in 42 hours of Training for the month of January. Training consisted of odor on Cocaine 189gms, Meth 564gms, Heroin 203gms and Marijuana 49gms. K9 teams also routinely train on obedience and tracking when working shift.

K9 Trip sustained a paw injury and was taken out of service for the month of January to give him time to heal. It is believed that he cut it on his metal doghouse, which was replaced with a wooden one to prevent future injuries.

FTO

No activity was reported for the Field Training Unit during the month of January.

Use of Force

The Brownsburg Police Department documented five (5) Use of Force Reports during the month of January. The reports are classified as follows: Firearm Pointing and Weaponless Physical.

Documented report 1 involved Brownsburg Officers attempting to locate a subject who had fled from officers in a vehicle. The suspect fled on foot from his vehicle and was eventually located. Officers pointed their department issued firearms at the suspect and gave commands to surrender. The suspect was taken into custody without further incident.

Documented report 2-5 involved Brownsburg Officers responding to a suicidal person at a local business. It was reported that the person had cut themselves and was fighting with another person. On arrival, officers observed erratic behavior and observed the person digging in their pockets. Officers used de-escalation tactics in attempt to diffuse aggressive behavior and to detain the subject due to possible weapons involved. The subject did not follow officer commands and began to resist. Officers had to physically restrain the subject. Officer were able to apply handcuffs and transport the subject to a medical facility for evaluation.

Documented reports 6-9 involved Brownsburg Officers responded to a person suffering a mental health crisis. It was reported that a juvenile was attempting to overdose on medication and was being aggressive with a parent. On arrival, officers used de-escalation tactics in attempt to diffuse the juvenile's aggressive behavior. The juvenile was uncooperative and threatened to hit officers with a bat. Officers were able to physically restrain and apply handcuffs to the juvenile. The juvenile was transported to a medical facility for evaluation.

Vehicle Pursuit

The Brownsburg Police Department documented two (2) Vehicle Pursuit Reports during the month of January. The chart below lists the initiating violation(s):

Both pursuits were initiated by Brownsburg Police Department. The first pursuit was initiated for reckless driving. The driver evaded officers and fled on foot. The driver was located a short time later and taken into custody without incident.

The second pursuit was initiated for a traffic offense. Officers terminated the pursuit due to high speeds and roadway surface conditions. The driver was identified several days later and has been charged.

Pursuit distances ranged from 4 to 7 miles and lasting 15 to 32 minutes. No department vehicles were damaged during the pursuits.

Traffic

The Traffic Unit responded to the following workflow complaints during January:

- Stop sign and speeding violations at Thornburg Parkway and Grafton Court

74 crash reports were documented during January with 7 being hit and run. The Traffic Unit completed 38 of the crash reports.

The speed trailer is still out of service for repair.

Monthly training consisted of the following:

- Sgt. Rooker-Annual firearms qualification, training board and EVO instructor meetings
- Cpl. Huntsman-IDACS recertification and annual firearms qualification
- Officer Kalyuzhny-Annual firearms qualification
- Officer Smith-Annual firearms qualification and room clearing
- Officer Lynch-Annual firearms qualification and room clearing

Narcotics

On January 6th, BNU Officers were conducting traffic enforcement on I-74 and conducted a traffic stop for a routine traffic violation. During the course of the stop, Officers discovered 2 occupants of the vehicle were wanted for outstanding warrants for battery and hit and run with a vehicle. Both subjects were in the US illegally and had immigration holds on them. One subject had been previously deported a total of 8 times and is now being federally charged with a crime due to the violence and previous deportations.

Furthermore, throughout the month, enjoying the partnership between the BNU and the US Marshals (USM), Officers assisted in apprehending several suspects in various violent and vile crimes including child molest, rape, and attempted murder. Also, BNU Officers assisted the Road Division in the apprehension of two separate fleeing suspects and assisted the Hendricks County Sheriff's Department in the apprehension of a barricaded subject. With each of these apprehensions, it takes hours of surveillance and tracking utilizing databases such as LPR databases and phone ping locations, along with physical surveillance.

Emergency Response Team

Monthly ERT training was conducted on January 20th and 27th.

On January 20, 2026, ERT conducted a debrief of an incident we assisted with HCSD on in December. We discussed mutual aid and training with the other ERTs in the County. We then conducted Close Quarters Tactics training in the shoot house.

On January 27, 2026, ERT conducted annual Less Lethal Munitions Training. We ensured zeros on 40mm launcher platforms and issued out new munitions purchased at the end of 2025. ERT then trained Close Quarters Tactics in the shoot house.

On January 28, 2026 ERT was contacted by HCSD to assist with service of a High Risk Search Warrant in Pittsboro. HCSDs ERT was out of town at a training and they had located a high risk target at a trailer in Pittsboro. The subject had two felony warrants out of Hendricks and Tippecanoe for weapons charges as well as robbery. ERT conducted a surround and callout and the high risk target was taken into custody without incident.

On January 20, 2026, ERT Medic Jeremey Baker was present at the training. He got a chance to introduce himself as the new ERT Medic to replace Andy Northern. Medic Baker has attended TEMS training and will need to complete a 40 hour pre basic. He is available for callouts, however he will be unarmed.

ERT announced an opening for an Avon ERT Operator and a Pittsboro ERT Operator and a process is set to begin on Feb 19, 2026.

Corporal Jones, Corporal Koelling and APD Sergeant Boggess are all in a light duty status.

Community Engagement

Each year on January 15th, the family of Isa Martinez visits our department to honor her birthday. Isa dreamed of becoming a K9 Officer when she was a child, and although she lost her battle with Congenital Heart Disease in 2019, her spirit continues to inspire all of us.

In her memory, the Martinez family brings treats for the department and generously donates to our K9 Unit. Their kindness is a reminder of Isa's love for law enforcement and the strength of a family determined to keep her legacy alive.

We are deeply grateful for their continued support and for allowing us to share in honoring Isa's life.

From January 5th to January 16th Brownsburg Police Department hosted an intern to participate in our day-to-day operations. The Intern was Glory Sief Nasr, who attends Covenant Christian School and is interested in a career in Law Enforcement. The first week, she was assigned to Captain Bullock and assisted with logging information, vehicle inspections and inventory along with other tasks that are under the supervision of Captain Bullock. Glory was allowed to witness and participate in a K9 demonstration. For the second week, Glory was assigned a day in different areas of the department.

She was assigned to Investigations, specifically CSI to see the importance and relevance of evidence when processing a scene or chain of possession for said evidence.

She was then assigned to Brownsburg Town Court on a court day to observe and assist with preparation of that day and allowed to see what goes on during those proceedings.

Glory also was assigned to the Brownsburg Narcotics Unit with Daniela to see how their operation work and how our agency combats the narcotics that infiltrate our community.

Lastly, she was assigned to Admin Services to assist and greet individuals who come to the window for assistance.

Glory was a complete pleasure to have at our offices, conducted herself in such a professional and kind manner, and is welcome back to intern at any time in the future. She did express an interest in helping with the summer camp for 2026.

Roll Call Training

- Report Writing
- Case v. Montana
- Defensive Tactics
- Impaired driving investigations to include Field Sobriety Testing
- Room Clearing
- Armored Personnel Carrier (APC) access and driving
- Pedestrian/bicycle traffic law

Training Division Report

Prepared by: Division Chief of Training Jason Cahill

Date: February 1, 2025

Reporting Period: January 1, 2025 – January 30, 2025

KEY ACCOMPLISHMENTS

-New Ladder Truck Driver Training Program Development

A comprehensive driver training program was developed and implemented for all chauffeurs assigned to the new ladder truck. This program establishes clear requirements for apparatus inspection, emergency vehicle driving, and aerial device operations, including the minimum operational hours required prior to being signed off to operate the ladder. All training components were developed and conducted in accordance with NFPA 1901 and NFPA 1002 to ensure compliance with nationally recognized standards and safe operating practices.

- Training Records Management and NFPA Compliance

The training team completed updates to the department's records management system to align with current NFPA standards for the 2026 calendar year. These updates improve consistency, accuracy, and accountability in documenting training activities and position the department for continued compliance, accreditation efforts, and future audits related to training records and certification tracking.

- CEVO Classroom Instruction

The classroom portion of the fire apparatus Certified Emergency Vehicle Operator (CEVO) program was delivered to department personnel, with full participation from all assigned members. Instruction focused on emergency vehicle dynamics, risk management, legal considerations, and defensive driving principles. Each chauffeur successfully completed a nationally recognized safe driving examination and will receive certification upon completion of the practical driving and apparatus application phase. The hands-on portion of CEVO training is scheduled to occur this spring once weather conditions allow for safe and effective driving exercises.

NEXT STEPS

Our focus over the coming weeks will be on supporting our six current recruits as they continue through their EMT coursework. This phase of training is critical, as it builds the medical knowledge and confidence they will rely on every day on shift. Instructors will continue working closely with the recruits to reinforce patient care skills, clinical decision-making, and teamwork in realistic, high-stress situations.

As a major milestone in their development, the recruits will complete a capstone 24-hour shift on March 2. This experience is designed to closely replicate what life on shift actually looks like, from the pace of calls to the physical and mental demands of working a full day. Throughout the 24 hours, recruits will respond to a variety of simulated emergency incidents that require them to apply both their firefighting and EMS training in real time. The goal is to help them transition from a training mindset to an on-duty mindset, build confidence, and ensure they are truly ready to step into shift work alongside our crews.

Brownsburg Fire Territory Operations Staff Report January 2026

Meetings Attended

- Battalion Chief Operations Meetings
- Command Staff Meetings
- Indiana Task Force One Managers Meeting
- Hendricks County Special Operations Meeting
- EMS Commission Meeting

Brownsburg Operations Updates

Ladder 131

Ladder 131 is projected to be placed in service by the third week of February. Crews are completing driver and chauffeur training. Once training is finalized, equipment will be mounted and the apparatus will be placed into operational service.

NERIS Implementation

NERIS has officially launched. As anticipated, there have been initial implementation challenges. We continue to work through system issues and improve reporting processes.

Tac 134 – Hazardous Materials Unit

Tac 134 has proven to be undersized for our current hazardous materials equipment cache. We have identified a potential replacement apparatus that appears to better meet operational needs. A site visit is planned to further evaluate suitability before moving forward.

Recruit Academy

The current recruit academy is in EMT school and performing well. Graduation is scheduled for March 5, at which time Brownsburg will add six new firefighters to the Fire Territory. An additional recruit academy is planned for April/May to hire six more firefighters to replace recent retirements and separations.

Engine 134 (Reserve Pumper)

Engine 134 will be fully outfitted so crews can transition into it without removing equipment from their primary apparatus. This configuration also allows the Fire Territory to place a fourth engine in service during periods of inclement weather or increased demand.

Brownsburg Fire Territory

Mission Driven – Community Focused – Family Values

Medic 134

Medic 134 has been evaluated following the recent incident. We are currently awaiting repair cost estimates to determine whether the unit will be repaired or declared a total loss.

New Engine Production

The new engine currently on order is scheduled to enter production in Florida soon. The Fire Territory has been awaiting this apparatus for nearly two years.

Outlook for 2026

2026 is shaping up to be a highly productive year for the Brownsburg Fire Territory. We are:

- Updating equipment to address outdated equipment and maintain compliance
- Keeping pace with evolving technology in fire and EMS operations
- Expanding staffing with the addition of new firefighters
- Preparing for the construction of a new fire station
- Continuing to deliver high-quality fire and EMS training

This year, a primary focus will be the development of our firefighters and paramedics into the next generation of leaders within the organization. Chief Cahill has been working on locating instructors that will best fill our needs.

Community Risk Reduction – Staff Report – January 2026

Prevention Division Staffing

Deputy Fire Marshal John Nelson acted as Fire Marshal during FM Hudson’s vacation leave. FM Hudson attended Indiana Association of Building Officials commercial kitchen inspection class along with the TOB Senior Building Inspector. FM Hudson along with several other BFT staff attended Megawarehouse seminar in Plainfield sponsored by the National Fire Sprinkler Association. DFM Nelson and Public Education Manager Havlin attended National Fire Academy Youth Firesetting class at MADE in Plainfield.

Brownsburg Fire Territory
Monthly Activity Report – January 2026
Prepared by: Brett Havlin
Deputy Fire Marshal/Public Education and Information

1. Communications & Social Media

Facebook Insights – January 2026

- **1,609,881 total views**
 - Up 142% from previous period
- **5,664 three-second video views**
 - Up 348%
- **Audience Reach**
 - 86.4% non-followers
 - 13.6% followers

Highlights:

- Continued growth in non-follower reach, expanding community awareness
- Year-end review and safety posts performed strongly
- Increased use of photos, short video, and training content
- Regular monitoring and reporting of Facebook and Instagram analytics

2. Public Education & Community Outreach

- Youth Fire Setter Class attended and completed on 1/31 & 2/1 at MADE in Plainfield
- National Child Passenger Safety Course attended and completed 1/20–1/23
- Public Education preparation and delivery for:
 - Brownsburg Meadows staff
 - Harris Academy (4 events scheduled)
- Smoke alarm requests and installations completed
- Gas leak safety education and PSA development
- Snow safety messaging (fire hydrants, CO alarms)
- Ride-to-School certificates and community engagement materials created
- Community Leadership Project work completed
- Medical Detective presentation finalized and scheduled with Harris

3. Media Relations & Public Information

- Drafted and released:
 - Media release for department vehicle accident
 - Media release for 24-hour recruit training
 - Media release for retired FF Sean Atkinson
 - Incident related media responses (fires, gas leaks, weather-related events)
- Coordinated with:

Brownsburg Fire Territory

Mission Driven – Community Focused – Family Values

- Fox59
- Brownsburg Current
- Brownsburg Sentinel
- Reviewed ESO reports for accuracy prior to media response
- Provided talking points for:
 - Kiwanis presentations
 - BFT Awards Banquet
- Coordinated with Jeremy Brilliant for PIO training at BF Territory Room in February

4. Administrative & Internal Support

- Calendar and department email management (daily)
- Finished and deployed updated HCO Reporting Form with QR codes
- Assisted with:
 - Knox Box access, keys, and updates
 - Wonder board access, setup, and run-data updates
- Department-wide email communications for new links and processes
- Class A uniform fitting and alteration coordination

5. Training, Meetings & Professional Development

- Participated in:
 - Grief training and post-training crew meetings
 - Ops Meetings
 - Union meeting
 - Town Council meeting review (online)
- Met with:
 - Chiefs Alcorn, Harder, Cahill
 - Training and Inspection staff
 - BCSC leadership and PIO
 - Outside agencies (Pike Township, Cincinnati FD, Oklahoma City FD, IFD)
- Completed FLSE Test – **86% (State Certified)**
- Signed up for FIAI class
- Worked on Leadership Brownsburg presentations
- Reviewed and submitted PTSD & Suicide Prevention presentations for state approval

6. Mobile Ventilation Unit (MVU) Project

- Requested and reviewed pricing
- Sent inquiries to SuperVac and SVI
- Coordinated discussions with:
 - Cincinnati Fire Department (site visit planned)
 - Oklahoma City Fire Department

Brownsburg Fire Territory

Mission Driven – Community Focused – Family Values

- Met with command staff regarding MVU progress and direction
- Continued research and documentation

7. Special Projects & Creative Work

- PowerPoint design for:
 - Leadership Brownsburg
 - Medical Detective program
- Photo and video editing:
 - Ladder truck striping and decals
 - Training evolutions
 - Incident documentation
- Designed:
 - Gas leak safety banner
 - Retirement flyer for Lt. George Ignas
 - Awards banquet and event materials
- Managed decals and signage orders with Brownsburg Signs

8. Key Outcomes & Impact

- Significant growth in social media reach and engagement
- Expanded public education programming and scheduling with BCSC
- Improved internal reporting and access systems
- Strengthened media response and consistency
- Progress made on major equipment and safety initiatives

EMS Division Report—January 2026

Prepared by: Zach Bowers, Division Chief of EMS

During January, the majority of my time was dedicated to instructing the EMT portion of the Recruit Academy. The class is progressing well, and the students continue to demonstrate steady growth in knowledge, skills competency, and professionalism. In addition to academy instruction, the Brownsburg Fire Territory hosted the January 2026 Hendricks Regional Health ALS Audit & Review session to support ongoing quality improvement and clinical oversight efforts within the EMS Division and throughout the Hendricks County EMS system.

Brownsburg Fire Territory

Mission Driven – Community Focused – Family Values

Brownsburg Fire Territory Administration Report January 2026

During the month of January, both fleet and facility maintenance efforts focused on operational readiness and ongoing station improvements.

On the fleet side, a shoreline plug was purchased for Station 132 to ensure reliable apparatus power connectivity. Preventative maintenance items were addressed, including the purchase and installation of new wiper blades for C1320. Repairs on C1340 were completed, returning the vehicle to full-service status. Additionally, operational supplies were purchased for C1360 to maintain readiness and support daily functions.

Facility maintenance efforts included continued improvements at Station 131. Drywall materials were purchased and repairs were completed following the installation of the new washer and dryer. The repaired areas were painted to restore the space to a finished condition. At Headquarters, fluid replacement was completed to maintain building systems and ensure proper operation.

Overall, January's maintenance activities supported both the reliability of our fleet and the continued upkeep and improvement of our facilities.

Fleet Maintenance

221 Mardale Drive
Brownsburg IN 46112

First Quarterly Report

Respectfully Submitted 2-2-2026 by:
Chris Keers, Fleet Maintenance Supt.

Summary

The Fleet Maintenance Department's day to day operations are running smoothly.

Current Projects and Goals

- Keeping snow plows and equipment up and running
- Installing equipment in 2 K9 vehicles
- Maintaining and servicing all town vehicles and equipment.

Future Projects and Goals

- Get all mowing and summer equipment ready
- Converting Plow truck to summer trucks

2025 Grants/Donations Memorandum

To: Brownsburg Town Council President and Council Members
 From: Clay Jackson, CPA, Budget Analyst
 Subject: 2025 Grants/Donations Report
 Date: February 26, 2026

The attached report provides the grants and donations fiscal activity for 2025 through December 31, 2025. Some notes on grants and donations are:

1. Receipts Total \$5,440,874.49 and expenditures total \$5,361,776.43.
2. Federal receipts total \$1,705,852.76 and federal expenditures total \$1,617,672.59.
3. Non-federal receipts total \$3,735,021.73 and non-federal expenditures total \$3,744,103.84.
4. \$48,023.70 of federal awards was passed through to subrecipients who were other law enforcement agencies in Hendricks County participating in the traffic safety programs.
5. Grants and donations were used for:

Grant/Donation Description of Use	Receipts	Expenditures	Department
Traffic Safety Programs	\$82,512.75	\$82,512.75	Police

**TOWN OF BROWNSBURG
2025 and 2026 BUDGET STATUS UPDATE MEMORANDUM**

To: Brownsburg Town Council President and Council Members
From: Clay Jackson, CPA, Budget Analyst
Subject: 2025 and 2026 Budget Status Updates
Date: February 26, 2026

The 2025 and 2026 budget status reports are attached. The 2025 budget status report is on pages 1 and 2 and is as of December 31, 2025. The 2026 budget status report is on pages 3 and 4 and is as of January 31, 2026.

2025 Budget Status Report (Final):

- The 2025 budget status report reports 107.0% of the total budget expended as of December 31, 2025. Expenditures totaled \$93,047,006.68 for budget year 2025.

2026 Budget Status Report:

- 8.3% of the budget year is complete for the 2026 budget status report and the total expended is 9.2% as of January 31, 2026. Expenditures totaled \$8,710,392.88 and encumbrances totaled \$10,737,310.38 for total expenditures and encumbrances of \$19,447,703.26. January 2026 had three pay dates which explains the percent expended greater than 8.3% for personal services of any department.

Both reports provide a status update by department and major expenditure category (personal services, supplies, other services and charges, debt services, capital outlays, and other). All Town funds which consists of budgeted and non-budgeted funds are included on both reports which explains negative budgets remaining.

Please let me know if you have any questions.

Thank you.

Notes:

- (a) Expenditures in non-budgeted County Courts and Law Enforcement Agency Funds. Town insurance (McGowan) expenditures exceed budget.
- (b) Town insurance (McGowan) over budget and non-budgeted Self-Insurance Fund expenditures.
- (c) Expenditures in non-budgeted Self-Insurance Fund.
- (d) Police vehicles video equipment 100% expended and officer awards/recognition expenditures.
- (e) Insurance (McGowan) over budget and Fire Equipment Replacement Fund expenditures.
- (f) Insurance (McGowan) over budget and expenditures for building maintenance/repairs and street lights/signals.
- (g) Encumbrances for Wastewater plant improvements to oxidation ditches 3 & 4, phase III East Plant ditch/clarifier, and phase I main plant biosolids.
- (h) Expenditures for B&O Trail asphalt work and stabilization of White Lick Creek bank.

To: Park Authority **Date:** February 18, 2026

From: Amber Lane **Period:** 01/2026

The purpose of this report is to update the Park Authority and the public on the status of all park-related capital projects (both major and minor) throughout all stages of the project development.

MAJOR CAPITAL PROJECTS:

Major capital projects involve large-scale investments that create, expand, or replace major infrastructure, facilities, or park amenities. These projects typically require design and engineering, span multiple years, and are included in the Town’s Capital Improvement Plan

WHITE LICK CREEK STABILIZATION

The White Lick Creek Stabilization Project addresses chronic streambank erosion that has been threatening parkland, trail corridors, and adjacent infrastructure. The primary objectives are asset protection, water quality improvement, and ecological enhancement.

This project incorporates a multi-layered stabilization strategy, including:

- Installation of vegetative buffer zones to improve bank integrity and filter runoff
- Rock armoring in high-velocity areas to prevent further bank failure
- Streambank grading and stabilization techniques to reduce sediment transport
- Wetland restoration elements to improve habitat function and stormwater resilience

Collectively, these improvements increase the creek’s structural stability during high-flow events, reduce long-term maintenance costs, and strengthen environmental performance within the park system.

PROJECT STATUS UPDATE

- Substantial completion achieved. Most construction work is complete.
- Punch list phase underway. Staff and contractors are addressing final corrective items.
- Seasonal plantings pending. Additional native plant installations in the restored wetland and select stabilization areas will occur once temperatures are consistently suitable for establishment.

LINCOLNWOOD PARK – BASELINE IMPROVEMENTS

The Lincolnwood Park Baseline Improvements initiative focuses on stabilizing and preparing the site for future capital development identified in the master planning process. This phase prioritizes risk mitigation, infrastructure function, and resource protection.

Scope of work includes:

- Repairing failed drainage tiles to restore proper stormwater conveyance
- Filling sinkholes and addressing subsurface voids to eliminate safety hazards
- Mowing and bush-hogging overgrown areas to improve site visibility and accessibility
- Stabilizing hillside erosion to prevent further land degradation
- Developing an invasive species removal strategy for the drainage corridor

These efforts establish site control, improve public safety, and protect environmental assets while positioning the park for phased development.

PROJECT STATUS UPDATE

- Drainage repairs complete – Stormwater infrastructure is functioning as intended.
- Sinkholes filled – Immediate safety concerns have been mitigated.
- Parking improvements scheduled for spring – Surface and access upgrades planned as weather permits.
- Trail design moving forward – Staff are re-engaging with design consultants to advance the trails component of the park.

B&O TRAIL ASPHALT REPAIRS

This maintenance project addresses pavement deterioration along the **B&O Trail** corridor between Raceway Road and Ronald Reagan Parkway. The objective is to extend pavement life, improve user safety, and prevent further structural failure.

Scope of work includes:

- Crack filling to prevent water infiltration
- Seal coating to protect the asphalt surface and extend lifecycle performance
- Pavement striping restoration
- Removal and replacement of **12 heaved sections** caused by root intrusion and age-related pavement fatigue

For the failed sections, crews cut and remove the damaged asphalt, extract underlying roots, and replace the pavement to restore structural integrity.

Work sequencing:

1. Mill and replace failed sections
2. Crack sealing
3. Final seal coat application

Temporary closures or detours may be required during active work to ensure public safety.

PROJECT STATUS UPDATE

- All twelve damaged sections have been milled and replaced.
- Coordinating with the contractor to finalize scheduling for crack sealing and seal coating.

STEPHENS PARK PICKLEBALL RESURFACING

The Pickleball Court Resurfacing Project is a preventative maintenance initiative designed to restore playing surfaces, improve player safety, and extend the lifespan of the courts.

Over time, surface wear, minor cracking, and weather exposure can impact play quality and create potential trip hazards. This project includes:

- Cleaning and surface preparation
- Crack repair and patching of distressed areas
- Application of new acrylic color coating system
- Restriping of court lines to regulation standards

Resurfacing will improve traction, ball response consistency, and overall aesthetics while protecting the asphalt base from moisture infiltration and further deterioration.

This investment ensures the courts remain safe, high-performing, and ready to meet growing community demand for pickle ball programming and open play.

PROJECT STATUS UPDATE

- Contract has been signed. Work will be scheduled in coordination with the contractor and upcoming seasonal conditions.

MINOR CAPITAL PROJECTS

Minor capital projects include smaller-scale improvements that maintain or extend the life of existing assets. These projects are generally completed within a single budget year and funded through the department's annual capital budget.

ARBUCKLE ACRES PARK RESTROOM UPGRADES

The Ar buckle Park restroom upgrades focus on durability, hygiene, and long-term maintenance reduction. This improvement project modernizes high-use facilities with materials better suited for heavy public traffic and vandal-resistance.

Scope of improvements includes:

- Replacing existing porcelain fixtures with stainless steel fixtures to improve durability and reduce breakage
- Installing new restroom partitions to enhance privacy and overall appearance
- Applying a new floor seal coat to protect surfaces, improve cleanability, and extend flooring lifespan

These upgrades will improve user experience, reduce long-term maintenance costs, and ensure the facilities remain functional and presentable for park visitors.

PROJECT STATUS UPDATE

- Interior surfaces have been primed and painted

- Trim repairs have been completed
- New partitions installed
- Floor seal coat scheduled for next week
- Stainless steel fixtures will be installed following flooring completion

The project is on track for completion in time for spring start-up, ensuring the facility is refreshed and ready for peak season use.

ARBUCKLE ACRES PARK MINI SHELTER REHAB

The Arbuckle Acres Park Mini Shelter Rehabilitation project focuses on extending the lifespan, improving visual consistency, and reducing long-term maintenance needs of the park's smaller shelter structures.

Improvements include:

- Roof replacement – Converting existing shingle roofs to hunter green metal roofing. This upgrade improves durability, weather resistance, and lifecycle performance while aligning aesthetically with the larger shelters and park structures.
- Bench and table rehabilitation – Existing wood benches and tables have been repaired, structurally reinforced where needed, and freshly painted to restore appearance and functionality.

These upgrades enhance the overall look and cohesion of the park while ensuring the mini shelters remain safe, attractive, and ready for continued public use.

PROJECT STATUS UPDATE

- Metal roof installation complete
- Majority of wood rehabilitation complete
- Final painting scheduled for spring, when temperatures allow for proper application and curing

B&O TRAIL DECKING REPLACEMENT

The project replaces deteriorated wood planks on all pedestrian bridges along the B&O Trail between Raceway Road and Green Street. This work enhances safety, eliminates tripping hazards, extends bridge lifespan, and reduces long-term maintenance needs.

PROJECT STATUS UPDATE

- Contract has been signed.
- Work pending consistent seasonal weather to ensure proper installation and material performance.

B&O TRAIL FORESTRY MOWING

The B&O Trail Forestry Mowing Project focuses on vegetation management along the trail corridor between Hornaday and Green Street. The primary goal is to control invasive species while preserving desirable trees and native vegetation.

Key components of the project:

- Forestry mowing to remove invasive shrubs and understory growth
- Selective retention of trees to maintain canopy cover and habitat value
- Herbicide applications planned to prevent regrowth of invasive species and support long-term corridor health

This work helps maintain trail accessibility, improves ecological conditions, and reduces future maintenance needs.

PROJECT UPDATE

- Forestry mowing is wrapping up this week

- Herbicide treatments will follow to prevent resprouting and ensure long-term vegetation management success

MEMORANDUM

Department of Development Services

Date: 2-17-26

To: Deb Cook, Town Manager

From: Elizabeth Williams

Subject: Residential Development- 5050 E CR 450 – Re-Introduce Proposed Rezone to R1 and R2

This is an Informational item only and no action is expected or required of council this evening. In keeping with a policy of introducing rezone proposals to Town Council prior to the public hearing at the Advisory Plan Commission. The subject property was previously presented for rezoning to the R2 district and was denied. The applicant is requesting re-introduction of the revised plans indicating R1 and R2 zoning for consideration.

The property is located at 5050 E CR 450 N, comprised of approximately 64 acres and located along the east side of CR 500 E, and adjacent to Tilden Drive, which is planned to be extended by Applicant, MI Homes. The Application seeks to rezone approximately 43.78 acres to the R-1 zoning district and 20.5 acres to the R-2 zoning district.

Attached to this memo is a preliminary concept image and notes from the applicant.

Before and After Comparison

Category	Previous Filing	Refiled Proposal
Zoning - South Portion	R2	R1
Minimum Lot Size (South 54 lots)	12,000 sq ft	15,000 sq ft
Total Roadway Improvement Contribution	\$270,000	\$400,000
Contribution per Homesite	\$3,000	\$4,444
Overall Character	Higher intensity, less transitional zoning, non-uniform homesites	Reduced intensity, improved zoning transition, better homesite layout

UNIFORM CONFLICT OF INTEREST DISCLOSURE STATEMENT

State Form 54266 (R2 / 6-15) / Form 236
STATE BOARD OF ACCOUNTS

Indiana Code 35-44.1-1-4

A public servant who knowingly or intentionally has a pecuniary interest in or derives a profit from a contract or purchase connected with an action by the governmental entity served by the public servant commits conflict of interest, a Class D Felony. A public servant has a pecuniary interest in a contract or purchase if the contract or purchase will result or is intended to result in an ascertainable increase in the income or net worth of the public servant or a dependent of the public servant. "Dependent" means any of the following: the spouse of a public servant; a child, stepchild, or adoptee (as defined in IC 31-9-2-2) of a public servant who is unemancipated and less than eighteen (18) years of age; and any individual more than one-half (1/2) of whose support is provided during a year by the public servant.

The foregoing consists only of excerpts from IC 35-44.1-1-4. Care should be taken to review IC 35-44.1-1-4 in its entirety.

1. Name and Address of Public Servant Submitting Statement: BRETT HAVLIN

7666 S SR 207 BROWNSBURG

2. Title or Position With Governmental Entity: DEPUTY FIRE MARSHAL

3. a. Governmental Entity: BROWNSBURG FIRE TERRITORY

b. County: HENDRICKS

4. This statement is submitted (check one):

a. as a "single transaction" disclosure statement, as to my financial interest in a specific contract or purchase connected with the governmental entity which I serve, proposed to be made by the governmental entity with or from a particular contractor or vendor; or

b. as an "annual" disclosure statement, as to my financial interest connected with any contracts or purchases of the governmental entity which I serve, which are made on an ongoing basis with or from particular contractors or vendors.

5. Name(s) of Contractor(s) or Vendor(s): N/A

6. Description(s) of Contract(s) or Purchase(s) (Describe the kind of contract involved, and the effective date and term of the contract or purchase if reasonably determinable. Dates required if 4(a) is selected above. If "dependent" is involved, provide dependent's name and relationship.):

N/A

7. **Description of My Financial Interest** *(Describe in what manner the public servant or "dependent" expects to derive a profit or financial benefit from, or otherwise has a pecuniary interest in, the above contract(s) or purchase(s); if reasonably determinable, state the approximate dollar value of such profit or benefit.):*

N/A

(Attach extra pages if additional space is needed.)

8. **Approval of Appointing Officer or Body** *(To be completed if the public servant was appointed by an elected public servant or the board of trustees of a state-supported college or university.):*

I (We) being the _____ of
(Title of Officer or Name of Governing Body)

_____ and having the power to appoint
(Name of Governmental Entity)

the above named public servant to the public position to which he or she holds, hereby approve the participation to the appointed disclosing public servant in the above described contract(s) or purchase(s) in which said public servant has a conflict of interest as defined in Indiana Code 35-44.1-1-4; however, this approval does not waive any objection to any conflict prohibited by statute, rule, or regulation and is not to be construed as a consent to any illegal act.

Within fifteen (15) days after final action on the contract or purchase, copies of this statement must be filed with the State Board of Accounts by uploading it here https://gateway.ifionline.org/sboa_coi/ which is the preferred method of filing, or by mailing it to the State Board of Accounts, Indiana Government Center South, 302 West Washington Street, Room E418, Indianapolis, Indiana, 46204-2765 and the Clerk of the Circuit Court of the county where the governmental entity took final action on the contract or purchase.

UNIFORM CONFLICT OF INTEREST DISCLOSURE STATEMENT

State Form 54266 (R2 / 9-24) / Form 236
STATE BOARD OF ACCOUNTS

"A public servant who knowingly or intentionally (1) has a pecuniary interest in; or (2) derives a profit from; a contract or purchase connected with an action by the governmental entity served by the public servant commits conflict of interest, a Level 6 Felony." Ind. Code 35-44.1-1-4(b).

As defined by IC 35-31.5-2-261, "public servant" means a person who:

- (1) is authorized to perform an official function on behalf of, and is paid by, a governmental entity;
- (2) is elected or appointed to office to discharge a public duty for a governmental entity; or
- (3) with or without compensation, is appointed in writing by a public official to act in an advisory capacity to a governmental entity concerning a contract or purchase to be made by the entity.

A public servant has a pecuniary interest in a contract or purchase if the contract or purchase will result or is intended to result in an ascertainable increase in the income or net worth of the public servant or a dependent of the public servant. IC 35-44.1-1-4(a)(3).

A "dependent" means the spouse of a public servant; a child, stepchild, or adoptee of a public servant who is unemancipated and less than eighteen (18) years of age; or an individual more than one-half of whose support is provided during a year by the public servant. IC 35-44.1-1-4(a)(1).

Complete this form in its entirety. Legal counsel should be consulted.
