11. NEW FOR CONSIDERATION –

11.01. Motion to Consider and Approve annual COLA Rates for Water and Sewer Fees – Shawn Pabst, Assistant Town Manager, presented this motion to the Council. The COLA rate language included in the ordinance allows for gradual, incremental rate adjustments to ensure that the costs of maintaining, operating, modernizing, and replacing the Town’s water and sewer infrastructure are properly funded. This approach helps avoid the need for larger, sporadic rate increases in the future. At the July 24th Town Council meeting, the 2025 Water and Sewer COLA rate review was tabled pending additional analysis. London Witte Group has completed analysis,

and the full Water and Sewer Utility Rate Study, including updated rate information, which has been provided in the council packet. A previous rate study provided by BTMA in 2020 determined that utility rates were approximately 30% below the recommended rate levels at that time. Since then, no significant increases in either water or sewer rates have been implemented to address this shortfall. Despite this, Brownsburg's utility rates remain among the lowest in the region when compared with surrounding communities. Supplemental rate study information has been included as requested by the Town Council on 07/10/2025. Town Attorney, Scott Krapf commented that Robert Reynolds with London Witte Group is present to answer questions and that the proposal before the council is just the COLA increase and not contemplating any ordinance changes. Ben Lacey discussed residential rates versus commercial rates. Glenn Adams commented on any water subsidies. There are none. Robert Reynolds with London Witte Group, 521 East 42nd Street, Indianapolis, answered questions regarding minimum charges and variable rates. Ben Lacey asked Shawn to go through the upgrades that are currently taking place. He listed upgrades and stated that we are looking for new water sources. Matt Simpson commented about potentially selling the water utility. Cindy Hohman made a motion to approve the annual COLA rates for Water and Sewer Fees. Matt Simpson seconded the motion. Passed 4-1. A roll call vote was taken; Ben Lacey, Matt Simpson, Cindy Hohman and Travis Tschaeann voted in favor. Glenn Adams was opposed.
